Pharmaceutical Program

"No Drugs Down the Drain"

Unused prescriptions and over-the-counter medications that are put in drains or flushed down the toilet pollute the environment, please take medication as prescribed and dispose of unused portions properly.

Unused medications should be:

1. Taken to a [household hazardous waste collection center](#) or event (no controlled substances allowed)

or

2. Put in a sturdy, securely sealed container, then in a trash can where children and animals can't reach them.

For more information visit www.nodrugsdownthedrain.org.

Medications in the Environment
